Planning for your Student's Transition: Understanding Diploma Requirements, Options and Exiting Credentials

Presented by:

Naomi Brickel, Director, Hudson Valley Special Education Parent Center

Stephanie Wozniak, Transition Specialist, PNWBOCES

This presentation will offer parents an overview of the requirements that need to be met in order to graduate with a Regents or local diploma, or other non-diploma exiting credentials available to students with disabilities, as well as a review of the different types of diploma safety-net options available for students with disabilities. Resources will be shared to assist in the transition planning process.
