**Presenter: Stephanie Bellantoni,
Hudson Valley Special Education Parent Center**

Stephanie Bellantoni has a background in law, and is the parent of four children, one of which has a significant disability. She is a strong proponent for an inclusive culture. Stephanie is a Parent Member for her school district, and has participated in many CSE and CPSE meetings over the years.

This workshop will explore the Career Development and Occupational Studies (CDOS) Commencement Credential, which may be obtained by any student working toward a regular high school diploma. This is an optional certificate of work-readiness that students can earn to increase knowledge and experience needed for entry-level employment opportunities.

For students with Individualized Education Programs (IEPs) who may not earn a local or Regents diploma, the CDOS Commencement Credential may be earned as the sole exiting credential.
