CPSE/CSE Parent Member Training

Presented by:

The Hudson Valley Special Education Parent Center *and*
The Regional Special Education Technical Assistance Support Center

This training is designed to provide Committee on Preschool Special Education (CPSE) and Committee on Special Education (CSE) Parent Members with a best practices approach to the special education process consistent with State law and regulation. Participants will develop techniques and strategies to support parents and fulfill the Parent Member role in a CPSE/CSE meeting.

As a Parent Member you will get more than you give! You will gain the opportunity to increase your understanding of regulations and the CPSE/CSE process, as well as get to know the people and programs in your school district, so that you can be a more effective member of your own child's CPSE/CSE. Participants are welcome to bring a lunch.

Register today!
