

The Department of Special Education and Pupil Support Services

is pleased to invite you to our upcoming Parent Workshop

***“Special Education, Graduation and Credential Options, and
Planning for Life After High School”***

Tuesday, February 13, 2018

5:30 pm – 7:30 pm

Roosevelt High School

*Educational programs to which our children are exposed pave the way for their opportunities following the K-12 years. This presentation will address the expanding high school credential and exiting options for students with disabilities, and the importance of identifying post-secondary goals so that appropriate transition supports and services can be put into place. The discussion will include post-secondary measurable goals, high school transition service needs, and the coordinated set of transition activities. **Please come join the conversation!***

Presenter(s):

Stephanie Bellantoni, Community Outreach Coordinator

Hudson Valley Special Education Parent Center

Westchester Institute for Human Development
